Dear Fellow Carman

Transport that saves lives

Oasis Minibus appeal

Target: £27,000. Funded: £19,393

Last month the Benevolent Trust made this appeal - as part of its new Carmen500 proactive fund raising policy, to help transport causes that save lives.

Carmen quickly responded with typical generosity.

To buy the bus we need another £7,607. Please help us help Oasis saves lives.

Oasis helps people like us, like those we know, people who have lost their way, their lives at risk, their affliction chronic, their need acute.

Oasis helps them recover, find new lives, new homes, new work – and rejoin us.

Oasis need this specially adapted minibus to carry people suffering drink or drug abuse, and help them and their carers recover their lives.

Oasis is a Bucks charity, largely staffed by volunteers, local authority funded under contract, without capital for transport beyond volunteers' cars.

This 'bus will take sufferers and their carers to treatment centres, schools, colleges, and workshops, move equipment, and enable disabled staff and helpers.

Please send your donation to the office, made out to The Worshipful Company of Carmen Benevolent Trust, marked Bus Appeal. Gift aid applies.

Thank you all for your support, already given, or on its way.

Sincerely

Senior Past Master
