*Transport that saves lives*

## The Oasis Minibus appeal

*Please help us help Oasis save lives*

*Our new charter and trust deed commit Carmen to transport need, and the new Benevolent Trust is committed to find and support such needs, with your help.*

Oasis helps people like us, like those we know, people who have lost their way, their lives at risk, their affliction chronic, their need acute.

Oasis helps them recover, find new lives, new homes, new work – helps them back to rejoin the rest of us.

Oasis need a specially adapted minibus to carry people suffering drink or drug abuse, and help them, their carers and equipment, recover their lives.

*This is the first major transport cause the Benevolent Trust supports as part of its proactive funding and fund raising strategy – to help transport causes that save lives.*

Oasis is a Bucks charity, largely staffed by volunteers, local authority funded under contract, without capital for transport beyond volunteers' cars.

This 'bus will enable the charity to collect and deliver sufferers and those who help them, to treatment centres, schools, colleges, and workshops, to move equipment, and to better enable disabled staff and helpers.

The 'bus itself will cost some £27,000. Oasis has £6,000. The Trust has set aside £10,000, in the hope that Carmen will add more - for transport which saves lives.

*Please send your donation to the office, made out to  
"The Worshipful Company of Carmen Benevolent Trust"  
with the envelope marked "Bus Appeal".  
Gift aid applies.*
