The full listing of Awards presented

THE CARMEN'S TRANSPORT DESIGN AWARD

...encourages design achievement in transport, automotive engineering and related fields. An annual award, it identifies, supports and facilitates planned transport research, education and innovation at post-graduate level.

Founded by the Worshipful Company of Carmen in 2001, this award comprises a £500 grant and a framed citation

(Year refers to year awarded. Awards are normally presented in July the following year.)*
