

# Worshipful Company of Carmen Master's Charity Ball 2024

Saturday 11<sup>th</sup> May 2024  
Middle Temple Hall, London

## Auction Prizes

A highlight of David Pugsley's year as Master Carman will be a sumptuous charity ball, held in one of the City of London's most select venues dating back to 1570 and home of one of the four Inns of Court. The evening will start with a reception in the beautiful private gardens stretching down to the Thames, followed by a delicious three-course dinner in the fabulous hammerbeam roofed Hall constructed during the reign of Elizabeth I, after which there will be dancing to a live 6-piece band and other entertainments.

As well as providing a memorable evening of fun and enjoyment, the Ball will be raising money for the Master's two charities. The Carmen Benevolent Trust supports education, transport and logistics, and the relief of those in need. The Carmen Heritage Trust runs our Hall and delivers transport education for public benefit.

The charitable fundraising will come from a combination of contributions from ticket sales, sponsorship and an on the night auction. It will be a silent auction, run through the evening. We are hoping to secure a few notable prizes that would be announced on the night - during the band's set break at c. 10.30pm.

Are you able to offer an auction prize? Or do you have connections to people who might be able to do so? All offers very gratefully received and will help to support the Carmen's philanthropic work. Unique or unusual opportunities or things and offers that particularly relate to the Carmen as the City of London's Livery Company for transport and logistics and the interests of its members would be especially appreciated.
