

**Mr Graham William Douglas Funnell**  
**Liverymen Worshipful Company of Carmen**

**Professional**

Graham Funnell is an Operations Director within the Engineering, Construction and Specialist Manufacturing Industries with extensive technical and operational experience in running large scale infrastructure frameworks and major projects predominantly in the water, energy and environment sectors. He has most recently been responsible for taking a Specialist Manufacturing business out of administration and into profit within 18 months. From a strategic perspective Graham has successfully delivered Digital and Sustainability Business Transformations as well as other strategic initiatives which have promoted safe, environmental, and economic benefits.

**Education**

Graham has a degree in Civil Engineering and attended Dame Alice Owens School which has a strong association to the Worshipful Company of Brewers.

**Worshipful Company of Carmen**

Graham is very proud to be a Liverymen of the Worshipful Company of Carmen and supports the livery as it's Special Point of Contact (SPOC) within the city's Livery Climate Action Group. He has supported the carbon offsetting for the companies' Cart Marking events in 2023 and 2024 and has recently joined Carmen's Education Committee.

**Personal Life**

He is a keen runner and cricketer and enjoys playing for his local club having made a return to grass roots cricket in the hope of playing alongside his eldest sons and hopefully his daughter also.

Graham is married to Elise a Marketing Procurement Professional, and they have three children, Freddie 15, Frankie 12 and Elowen 4. They also have 2 dogs Basil (*a rescue Bull Breed*) and Luna (*a White Swiss Shepherd*).
