Information for Commentary

Please use this section to provide as much detailed information you can about your Cart for use by our commentary team for the ceremony and brochure publishers.

- Please give details as much information as you can of the **Cart's history & background**.

If you have these details in electronic format, please forward under separate cover.

- Please also attach **2 or 3 high-resolution photographs** which may also be included in this year's program.

(circa 300 words, please complete on another sheet if required)

Board, Transporter & Parking

I have previously entered a cart & **my Board No.** is _____

or

This is the first time I have entered a cart & **I will require** a board

or

My existing **Board is full** & I would like a new board

During the luncheon I would, **if possible**, like parking for my cart

If I am accepted, I will require a **parking pass** for a tender / transporter

Because of **limited parking**, please specify overall length in meters of tender / transporter: _____
